

Comprehensive Wastewater Management Plan

August 8, 2012

The background of the slide is a scenic photograph of a coastal area. In the foreground, there are tall, dry grasses and white wildflowers. In the middle ground, a body of water is visible with a small boat on the left and a wooden dock with a red boat on the right. In the background, there are green trees and a clear blue sky.

Town of Chatham Comprehensive Wastewater Management Plan

- **\$59 Million Authorized by Voters in May 2009 to implement Initial Phase of Plan**
- **Plan Approved by Massachusetts Executive Office of Energy and Environmental Affairs in July 2009**
- **Contracts to Begin Implementation Signed in February 2010**
- **Work Begun in 2010**

Funding Sources

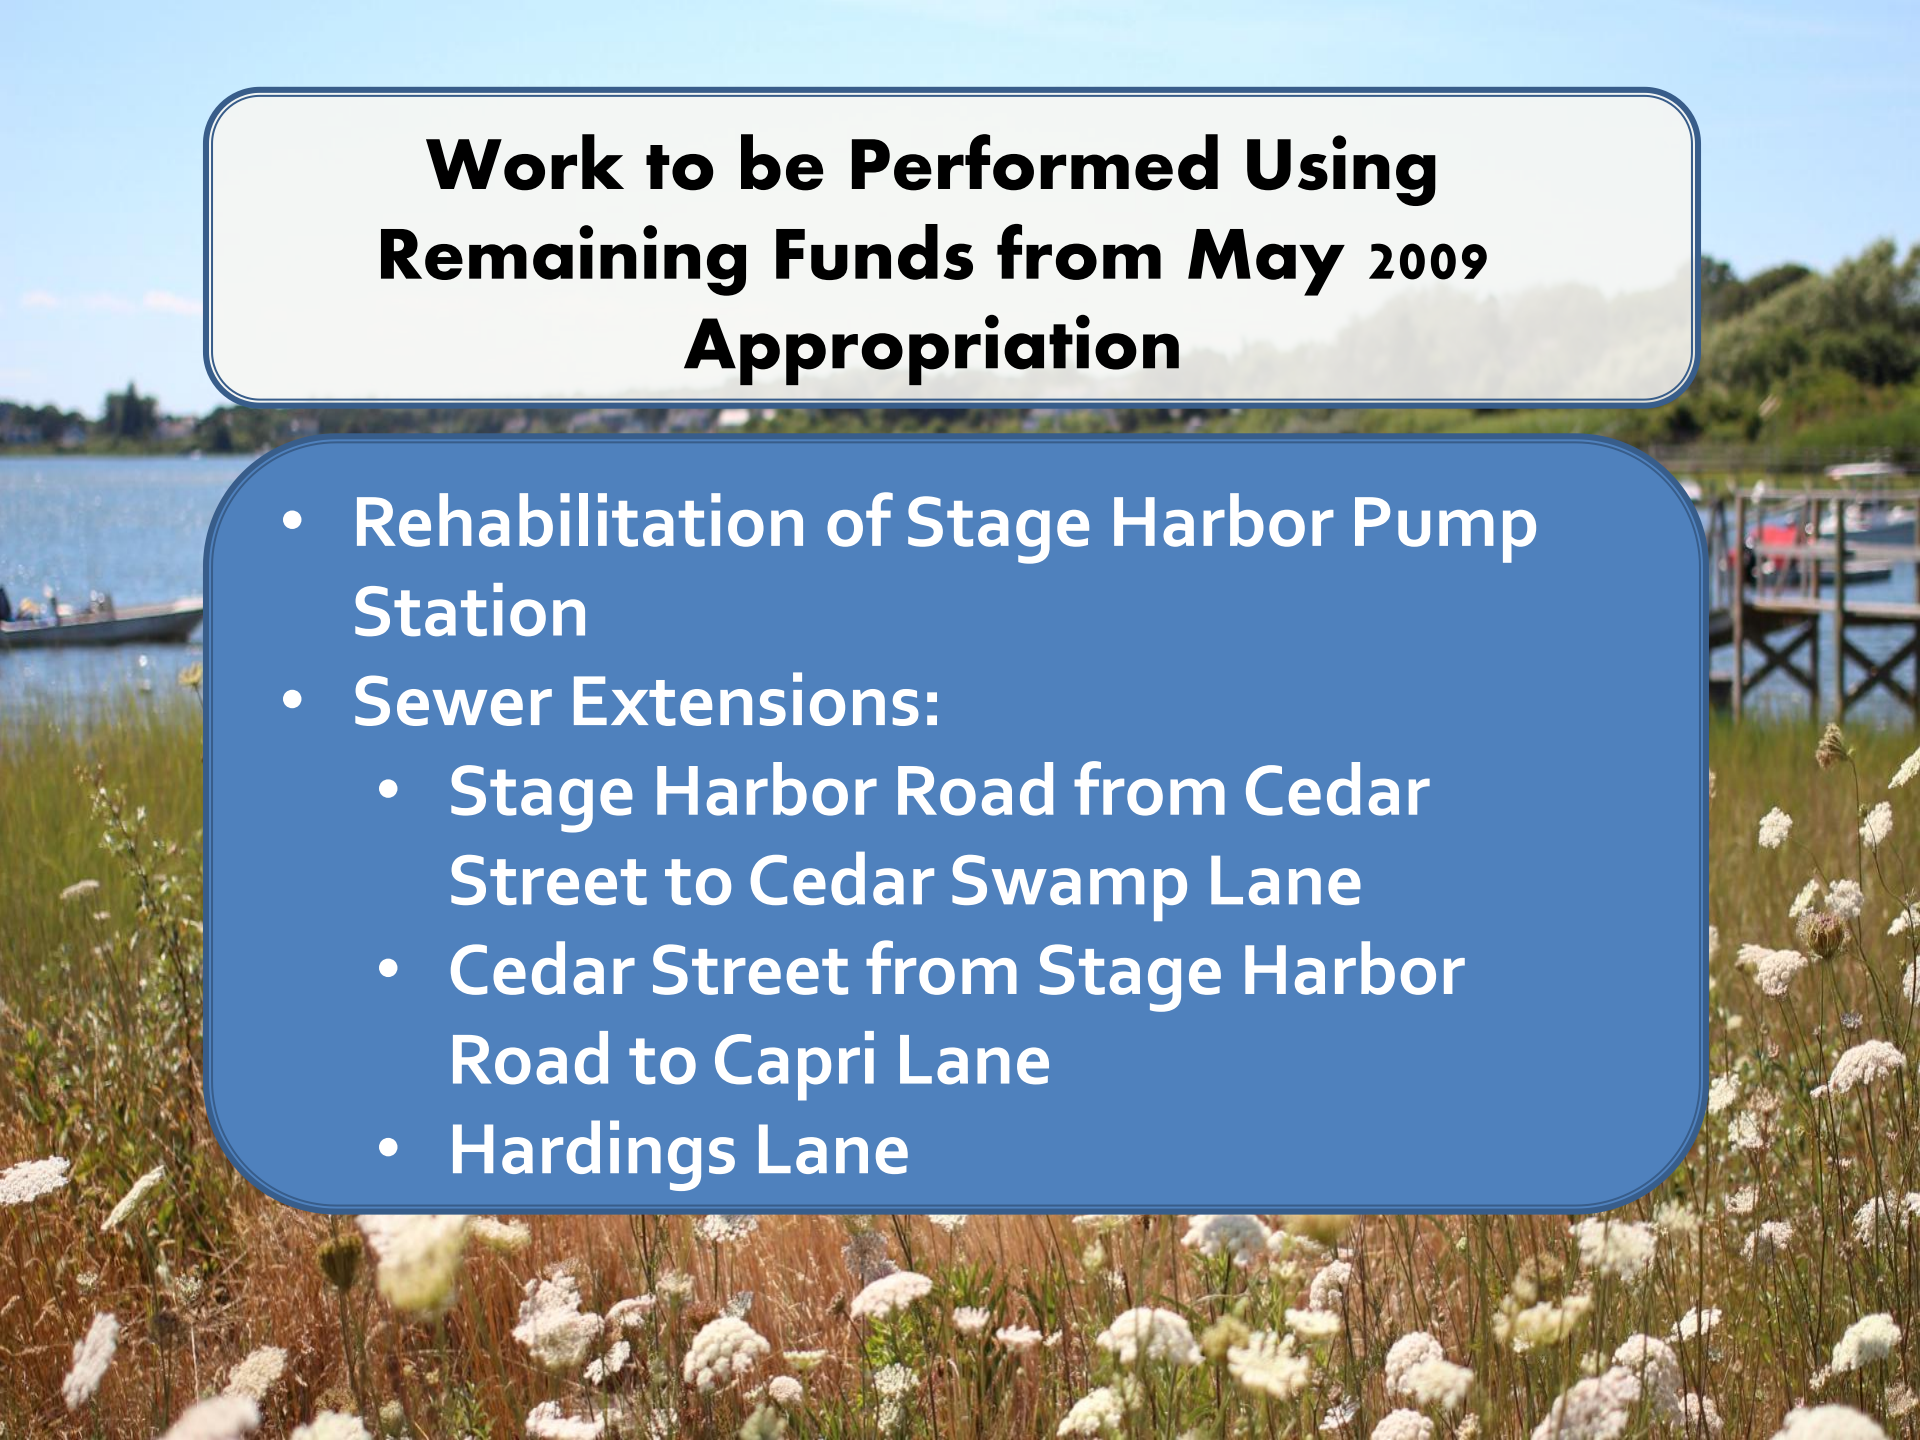

- \$38.5 Million in Bonds (Interest Rates 2.0 to 2.7 Percent)
- \$20.5 Million in Grants

Work Completed to Date

- New Wastewater Treatment Plant completed and approved by DEP to accept sewage on March 19, 2012
- Six Pumping Stations Completed
- Following Sewer Lines Completed:
 - Route 28 from Crowell Road to Beacon Hill
 - George Ryder Road from 28 to Police Department/Town Annex
 - Barn Hill Road

Work Completed to Date Continued...

- Following Sewer Lines Completed:
 - Summerhill Road
 - Marcus Lane
 - Plum Daffy Lane Road
 - Meadow View Road
 - Meadow View Road South
 - Meadow View Road Ext.
 - Horseshoe Lane
 - Portion of Vineyard Avenue

Work to be Performed Using Remaining Funds from May 2009 Appropriation

- Rehabilitation of Stage Harbor Pump Station
- Sewer Extensions:
 - Stage Harbor Road from Cedar Street to Cedar Swamp Lane
 - Cedar Street from Stage Harbor Road to Capri Lane
 - Hardings Lane

What's Next...

- Plan being developed for next sewer lines to be laid. Streets to be included in plan will likely be South of 28 and East of Barnhill Road
- The Number of Streets involved will depend on funds authorized by the voters at Town Meeting in May 2013
